

Add User SCN 002 Verify that there are no copywriting errors in List user TC 001

Add User SCN 002 Verify Add button can be click TC 002

Add User SCN 002 Validate user can add new user TC 003

The image displays two screenshots of a web application interface for adding users. The browser address bar shows the URL `belajar-bareng.onrender.com/add`.

Top Screenshot: The 'Add Users' form is shown with the following fields and buttons:

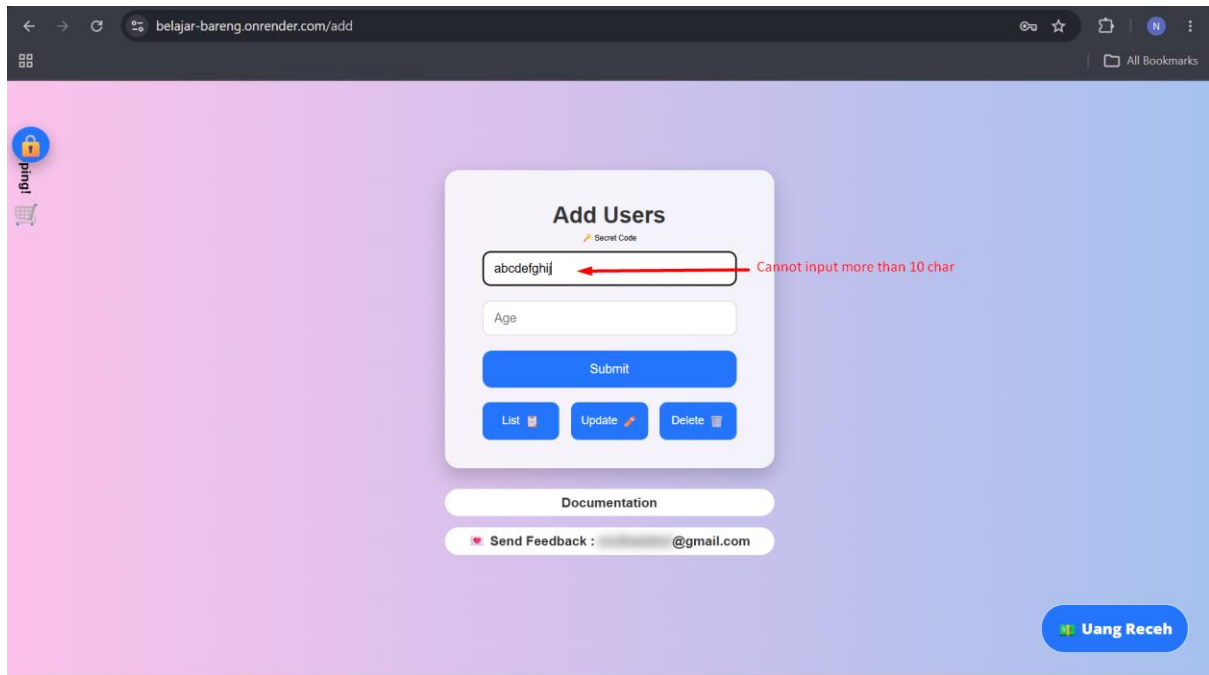

- Username:** `adminB`
- Age:** `23`
- Buttons:** `Submit`, `List`, `Update`, and `Delete`.

A red box highlights the input fields and the `Submit` button. Below the form, there is a `Documentation` link and a `Send Feedback` button with an email address field.

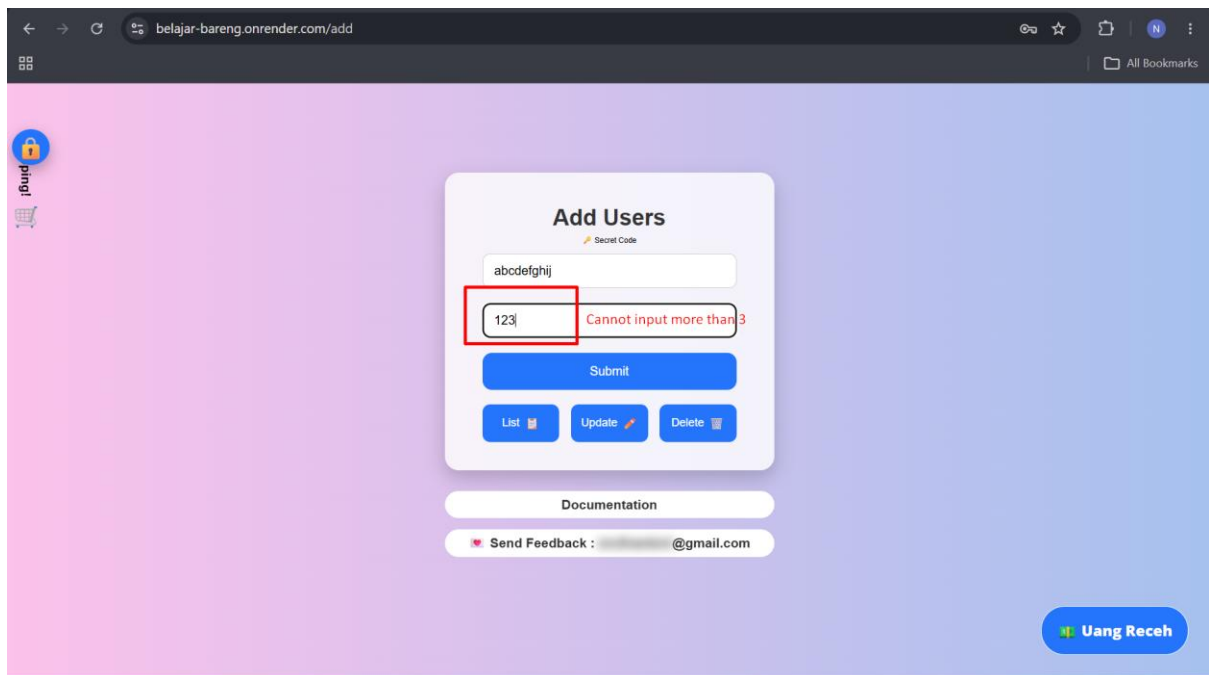

Bottom Screenshot: The same 'Add Users' form is shown, but with a success message displayed in a green box:

✓ User successfully added, Hi adminB!

The image displays two screenshots of a web application interface, demonstrating a user age validation test.

Top Screenshot (Add Users):

- URL: `belajar-bareng.onrender.com/add`
- Notification: "User successfully added, Hi Kim!"
- Form: "Add Users" (Secret Code)
- Inputs: Username, Age
- Buttons: Submit, List, Update, Delete
- Footer: Documentation, Send Feedback: @gmail.com, Uang Receh

Bottom Screenshot (List Users):

- URL: `belajar-bareng.onrender.com/users`
- Table:

tenan
Age: 27 ID: 6a23acd94a401d30190c4d6e
Kai Age: 32 ID: 6a23b1334a401d30190c4d6f
Kim Age: 999 ID: 6a23b1d94a401d30190c4d70

- Buttons: Add, Update, Delete, Checkout
- Footer: Documentation, Send Feedback: mrdhwnkml@gmail.com, Uang Receh

Add User SCN 002 Verify case sensitivity in username input TC 0017

The image consists of two screenshots of a web application interface, demonstrating a case sensitivity verification for usernames.

Top Screenshot (List Users): The browser address bar shows `belajar-bareng.onrender.com/users`. The page displays a "List Users" section with three user entries:

- tenan**: Age: 27, ID: 6a23acd94a401d30190c4d6e
- Kai**: Age: 32, ID: 6a23b1334a401d30190c4d6f (This entry is highlighted with a red box.)
- Kim**: Age: 999, ID: 6a23b1d94a401d30190c4d70

Below the list are buttons for "Add", "Update", "Delete", and "Checkout". At the bottom, there is a "Documentation" link and a "Send Feedback : mrdhwnkml@gmail.com" button. A "Uang Rekeh" button is visible in the bottom right corner.

Bottom Screenshot (Add Users): The browser address bar shows `belajar-bareng.onrender.com/add`. The page displays an "Add Users" form with a "Secret Code" label. The username field contains "kai" and the age field contains "23". Below the form are buttons for "Submit", "List", "Update", and "Delete".

A red box highlights a yellow warning message in the top right corner: "Username 'kai' already exists!".

At the bottom, there is a "Documentation" link, a "Send Feedback : @gmail.com" button, and a "Uang Rekeh" button in the bottom right corner.
