

Homework 2 Mini Bootcamp QA Engineer Batch 16

Nama : Novia Rahma Nur Azizah

Sesi : 3. Programming Fundamental

The image shows a VS Code editor window with a file named `test.js`. The code is a JavaScript program that prints a right-angled triangle of asterisks. The code is as follows:

```
1  const a = 5; //Define nilai segitiga
2
3  for (let i = 1; i <= a; i++) {
4      let row = ""; //Looping untuk menambah baris
5      for (let j = 1; j <= i; j++) {
6          row += "*"; //Looping untuk kolom
7      }
8      console.log(row); //print var row
9  }
```

Below the editor, the **TERMINAL** tab is active, showing the command `node test.js` and its output:

```
PS D:\> node test.js
*
**
***
****
*****
PS D:\> 
```
